

ARMSA NORTH WEST SEXUAL OFFENCES BILL WORKSHOP

20 MAY 2007

21 Regional Magistrates attended this workshop over the weekend of 18 – 20 May 2007 at Valley Lodge, Magaliesburg. We wish to thank Eddie Humphreys, Tebogo Djaje and Modibedi Djaje who willingly assisted in the facilitation of the workshop. The level of participation was high and we thank the magistrates for their commitment to further education by attending this workshop over the course of a weekend. Some issues were raised about the practicality of the Bill, which will be taken up with the drafters of the Bill.
